Creating an Advising Syllabus

Have you been able to communicate the roles and responsibilities of the advisee and the advisor? Developing and Advising Syllabus allows advisors to communicate clear expectations for student learning and it provides structure to the concept of advising as teaching.

Session Outcomes - you will learn:

- The purpose of an advising syllabus
- The value a syllabus brings to you and your students
- How to create an advising syllabus
- How to integrate a syllabus into both your advising and assessment practices
