Message from the Chair

The last several months have been very exciting for Canadian advising as we continue to work towards building an advising network across Canada. Most recently I just returned from a trip to Saskatoon where the University of Saskatchewan hosted the inaugural Saskatchewan Academic Advising Conference. Hosting a provincial conference was the first step in the establishment of an official provincial organization. At the end of the conference a commitment was made to have a conference next year. It is these types of events which will help the overall growth and promotion of advising as a profession within Canada.

Canadian Advising Achievements

Special acknowledgement goes out to Nicholas Johnson of the University of the Fraser Valley and Heather Doyle of Lakehead University. Nicholas was awarded a Certificate of Merit for Best New Advisor and Heather was selected for the Emerging Leaders program class of 2009-2011.

Congratulations to you both! It is great to see your hard work and dedication rewarded. I look forward to seeing you both in San Antonio.
