II. Purpose and Role of the Committee

The Professional Development Committee:
• reviews the professional development activities of the Association and recommends new initiatives.
• identifies the professional development needs of the membership and recommends methods for addressing those needs.
• works with the Regions and Commission Chairs in cultivating opportunities for professional development to both current and prospective audiences (Policy Number: AD–09).

The PDC works collaboratively with the Webinar Advisory Board and the Publications Advisory Board to identify gaps in resources and publications.

The PDC works collaboratively with the Summer and Winter Institutes Advisory Board and the Annual Conference Advisory Board to identify gaps in events and event curricula.
III. Old Business

   Report on results of the Administrative Division Self-Review process:
   
   PDC Purpose
   PDC Restructure

   Report on status of the “Professional Development Questions” for all existing NACADA event evaluations.

IV. New Business

   • Discussion on proposed “Professional Development Questions”
   • Discussion on how best to proceed with implementation and analysis of “Professional Development Questions”
   • Overview of PDC Chair role and upcoming NACADA Leadership Election
   • Determine Goals for 2014-2015
