NACADA’s Vision Statement

Definition: The Vision Statement for NACADA captures the aspirations of an Association that has made significant inroads, through collaborative programming, toward achieving international recognition for excellence and leadership in academic advising.

Statement: NACADA is the leader within the global education community for the theory, delivery, application and advancement of academic advising to enhance student learning and development.

NACADA’s Mission Statement

Definition: The Mission Statement for NACADA guides the pathway toward the vision statement.

Statement: Shaping a holistic view of the Association’s multiple roles and responsibilities to the students it serves:
- Addresses the academic advising needs of higher education
- Advances the body of knowledge of academic advising
- Champions the educational role of academic advising to enhance student learning and development.
- Affirms the role of academic advising in supporting institutional mission and vitality
- Encourages the contributions of all members and promote the involvement of diverse populations

NACADA’s Strategic Goals

Definition: The five Strategic Goals of NACADA are derived from and support the mission of the Association. These broad goals are intended to provide general guidance for the leadership of the Board of Directors, the NACADA Council, the Divisions, and of the Regions regarding the key pillars upon which the growth and sustainability of the Association rests. These pillars are both general and specific in order to provide a flexible yet structured framework through which the Association leadership and membership might exercise creativity in the development its initiatives to support student learning and development. These goals and resulting initiatives are supported and furthered by a strong Executive Office whose work is guided by the Executive Director.

Goals:
- **Strategic Goal #1**: Address the Academic Advising Needs of Higher Education
- **Strategic Goal #2**: Advance the Body of Knowledge of Academic Advising
- **Strategic Goal #3**: Champion the Educational Role of Academic Advising to Enhance Student Learning and Development in a Diverse World
- **Strategic Goal #4**: Educate College & University Decision Makers about the Role of Quality Academic Advising
- **Strategic Goal #5**: Ensure Effectiveness of the Organization
Explanation of Roles

**Advisory Boards**

Advise the Executive Office on strategies and activities for providing services to members and for organizational operations. The President appoints Advisory Board chairs and consults with them to appoint committee members. The work of advisory boards will be coordinated by the Executive Office. Advisory Boards may meet during the National Conference each year. Advisory Boards review and recommend changes to the Executive Office in format and content of activities in support of the Advisory Board’s charge. They are part of the Administrative Division for communication purposes.

**Executive Office**

Supports the association in all activities and provides services to the members. This includes establishment of procedures and the implementation of all approved activities designated by the Board of Directors. In addition, the Exec Office staff will maintain the Archives of the Association, act as the fiscal agent of the Association, provide web services to all units of the Association, and lend expertise in meeting planning, contract negotiations, service contracts, marketing and promotion, copy editing, grant writing in support of Association activities, research efforts, and clerical support as needed. The Executive Office has been given more responsibility for the implementation of Association activities to lessen the burden on the volunteer leadership of the association. This includes coordination of publications and events, marketing of all activities and the association in general, conference planning support, tech services, and other tasks as assigned. The Executive Director serves on the Board of Directors without voting privileges and meets with the Council.

**Advisory Board Chair**

Advisory Board Chairs are appointed by the President-Elect and provide leadership for Advisory Boards whose function is to provide the Executive Office with guidance and recommendations concerning the conduct of NACADA programs and the development of resources. Advisory Board Chairs report to the Executive Office.

**Major Leadership Responsibilities:**

- Lead the advisory board in the processes of developing a curriculum for the Summer Institutes with provisions to change/update the curriculum based on feedback from advisory board members, participants, and taking into consideration current issues that would appropriately be addressed at these institutes, as well as adjustments to established sessions.
- Serve as a member of the SI Management Team which selects faculty and oversees the implementation of the Institutes each year.
- The advisory Board Chair may or may not be selected as a faculty member for one of the Summer Institutes and would not be expected to be at Summer Institute if not serving as a faculty member.
- Advisory Board Chairs and members of the Management team are not eligible to receive an honoraria if they serve as Summer Institute faculty.

**Leadership Opportunity**
