Michelle Kampa
Milwaukee Institute of Art & Design

I have served as the Director of College Advising at the Milwaukee Institute of Art & Design since 2014. Prior to my current role, I was an academic advisor in the Undergraduate Advising Resource Center at the University of Wisconsin Oshkosh for four years. I have been fortunate to build my professional development by being a member of NACADA since 2010, attending every WACADA State Conference since 2010, attending and presenting at a NACADA Region V Conference in 2014, and attending the NACADA Conferences in 2014 and 2015. I have taken advantage of resources such as the NACADA Webinars as well as the NACADA Clearinghouse. I earned my Graduate Certificate in Academic Advising through Kansas State University in 2011 and am now pursuing a Doctorate of Leadership for the Advancement of Learning and Service in Higher Education at Cardinal Stritch University in Milwaukee, Wisconsin. Professional development is extremely important for academic advisors so that we can better serve our students, colleagues, and constituents. As such I feel that it is my duty to now give back to the NACADA organization who has helped me grow and develop as a professional by nominating myself to serve as the Wisconsin representative to NACADA and Great Lakes Region V. I look forward to serving in this role and sharing my passion of professional development with other academic advisors, encouraging continued involvement in the NACADA organization. Thank you!
