

**2009 NACADA Region V Development Grants**  
**To develop allied advising organizations at the Institutional level**

In order to promote the development of allied institutional advising organizations in NACADA Great Lakes Region, Region V Steering Committee may grant up to \$500.00 to any group of 10 or more advisors from an individual institution towards the creation of such an organization. Advisors employed at institutions that already have an allied institutional advising organization may not use this grant to begin a new organization. In order to apply for this award the groups must:

- Have an official name
- Provide a list of the advisors and their e-mail addresses and identify those that are NACADA members
- Provide a draft copy of their organization's governance structure or bylaws.
- Provide a copy of the organization's request to become an allied NACADA member
- [http://www.nacada.ksu.edu/Membership/allied\\_appl.pdf](http://www.nacada.ksu.edu/Membership/allied_appl.pdf) . Please send the original to NACADA
- Briefly write a one to two page statement addressing for what and how the requested funds will be used. Note organizational plans for growing and sustaining the organization

All applications must be submitted to Nancy Roadruck, [nancy5@uakron.edu](mailto:nancy5@uakron.edu) no later than July 1, 2009 . Applications must be submitted electronically using Microsoft Word, 12 pt. type, Times New Roman font, and with a title page that includes the name, business, address, phone and fax number, and e-mail address of the individual presenting the application.

Applicants will be notified prior to the national conference of any awards, and recipients of awards will be recognized at the national conference. Applications will be considered confidential information. Grants will be awarded on a selective basis. Region 5 reserves the right not to select a recipient should the above criteria not be adequately addressed.
