## Region 1 is excited to support ANEW Place in Burlington Vermont for Region 1 Cares this year.

ANEW Place is a homeless services agency located in Burlington's Old North End. ANEW strives to provide a community where love and dignity break down the barriers facing our homeless neighbors so no matter their history, they can chart anew path.

This year in addition to bringing donations to the conference we welcome our attendees to join us in volunteering at ANEW Place to help paint, clean and organize donations. Attendees can sign up to volunteer via pre-conference registration. Space is limited.

### ANEW Place Values

#### Love and Dignity

We believe that all people deserve dignity and respect. We provide a diverse, welcoming environment, free of judgment and full of compassion, for those who need it most.

#### Holistic Support

We believe in valuing the whole person. We emphasize all areas of wellness including social, mental, physical, spiritual, relational, and occupational to support health and growth.

#### Community Engagement

We believe that thriving people come from a thriving community. We connect guests with our community-wide network of resources, creating continued partnerships for shared growth.

#### Tools for Change

We believe all people can change. We create unique paths for positive, lifelong change and equip each person with the tools to get there.

### DONATIONS

ANEW is continuing to find ways to support their guests, both when they arrive and throughout their journey at ANEW Place.

They are looking for donations of the following items to help provide each guest with a welcome/care package.

**Shampoo**

**Deodorant (for men & women)**

**New underwear (for men & women)**

**Wool Socks**

**[Green Mountain Transit 10-Ride Bus Passes](#)**

**Dunkin Donuts Gift Cards**

### SUPPORT the MEALS PROGRAM

In addition to the welcome packages ANEW Place offers guests nightly dinners on site generously provided by community members, local churches, and businesses. If you're not able to bring donations or want to support ANEW Place in other ways you can make cash donations to support the meals program.
