Keynote Speakers
Opening Keynote Speaker LaDonna Gatlin literally grew up on stage singing with her brothers—the legendary Gatlin Brothers. In the early 1970s she took a giant leap of faith, chose to follow her heart, and ‘sing a different song’ apart from her brothers. She has spent her entire career empowering people to ‘sing their own song’ as well. When you put both her speaking ability and her outstanding vocal ability together, you get a winning combination that educates, inspires and entertains!
Gatlin will speak at 7:00 p.m. on Wednesday, October 1.

B. Joseph White - President, University of Illinois, is our second keynote speaker on Thursday, October 2 at 8:30 a.m.
B. Joseph White took office as the 16th president of the University of Illinois on Jan. 31, 2005. Among Dr. White’s goals for the University of Illinois are developing it into the nation’s preeminent public research university, as well as the nation’s premier urban public research university, and developing the Global Campus Partnership to make U of I the quality leader in on-line higher education.
White has written, taught and lectured extensively on leadership, management, and organizational matters. He is the author of The Nature of Leadership: Raptures, Mammals, and the Challenge of Becoming a Great Leader (ANACC, 2007).

Keynote Speakers
Opening Keynote Speaker LaDonna Gatlin literally grew up on stage singing with her brothers—the legendary Gatlin Brothers. In the early 1970s she took a giant leap of faith, chose to follow her heart, and “sing a different song” apart from her brothers. She has spent her entire career empowering people to “sing their own song” as well. When you put both her speaking ability and her outstanding vocal ability together, you get a winning combination that educates, inspires and entertains!

Gatlin will speak at 7:00 p.m. on Wednesday, October 1.

B. Joseph White - President, University of Illinois, is our second keynote speaker on Thursday, October 2 at 8:30 a.m.

B. Joseph White took office as the 16th president of the University of Illinois on Jan. 31, 2005. Among Dr. White’s goals for the University of Illinois are to develop it into the nation’s premier public research university, as well as the nation’s premier urban public research university, and developing the Global Campus Partnership to make U of I the quality leader in on-line higher education.

White has written, taught and lectured extensively on leadership, management, and organizational matters. He is the author of The Nature of Leadership: Raptities, Mammals, and the Challenge of Becoming a Great Leader (AMACOM, 2007).

Important Registration Information/Policies

Registration forms are available on the 2008 Annual Conference webpage (nacada.ksu.edu).

Register early—payment must be received by the conference date, but it need not accompany your registration form. Before you give the registration form to your institution’s business office for processing, please fax NACADA a copy of the conference registration form. This is for your protection—many registrations are delayed for weeks at the institution and do not arrive in our office until after the opening date of the conference. Be sure to send us an actual copy of the Agency Purchase Order (APO) as soon as it is available. An APO number without the actual form will not suffice. NACADA’s Federal Employer ID number (FEIN) is 48-1114759.

Registrations and/or payments received on/after September 26 will require on-site registration. Registrations and payments will not be processed at the Executive Office after September 26. Registrations on site must be paid or guaranteed with an actual purchase order or credit card.

Payment not received by the conference date—payment must be made before receiving conference materials on-site. Cash, check, or credit card authorization will be accepted on-site. Credit cards will be processed if other payment has not been received by October 24, 2008.

Registration transfers—Paid registrations may be transferred to another individual at your institution if you notify NACADA in advance.

Refund policy—Membership dues are not refundable. To receive a refund of conference fees, less a $50.00 processing fee, send a written request to the Executive Office by August 29, 2008. After this date, 50% will be refunded with written notification until September 25. No refund requests can be granted after September 25, 2008. Refund checks will be issued after the conference.

Registrants who fail to cancel their registrations through the Executive Office, in writing, will be responsible for the total conference registration fee even if they do not attend the conference and have not paid the registration fee.

Questions regarding the conference, your membership status, or NACADA can be directed to the Executive Office via email to nacada@ksu.edu, phone (785) 532-5717, or fax (785) 532-7732. Information is available at www.nacada.ksu.edu.
