Discover the Wild side of Anchorage!

Sunday, April 28th

**Tour Option 1**
Drive the scenic route to Seward where you will board a cruise to witness the annual migration of California Gray Whales. These whales travel all the way from the Baja California region to Alaska's Bering Sea! Often you will view many other marine wildlife and lay eyes on our glaciers. This is an all day tour departing from Anchorage at 7:30am. Your 4 hour cruise will depart Seward at noon. You will be returning to Anchorage around 7pm. (Approx 11.5 hrs) Please RSVP early for this tour!

**Tour Option 2**
Drive the scenic Seward Highway to the Alaska Wildlife Conservation Center. View Alaskan wildlife up close at AWCC, a center dedicated to offering refuge for the displaced and rehabilitation for the injured. (Approx 4 hrs)

**Tour Option 3**
Get an overview of the greater Anchorage area on this 3 hour tour. Stops include downtown Anchorage, Earthquake Park, Lake Hood Seaplane Base, Beluga Point, Potter's Marsh and Flattop Mountain. (Approx 3 hrs)
